The Charge 's bio is findable in the State website. His name is something like Marc Cassaerses. But also I plan to meet Jane at hotel and taxi her to the mission to give her a little less worry.

Brianna, do we have the address and contact info for the mission (both who she is meeting with and who is the contact meeting her)? If so, can you please add to Jane's book in the form of a very short bilat meeting memo?

I forgot to ask – can you also add the address and contact information for the U.S. mission, and any information for the US mission meeting. Thanks again.

Thanks for the draft WHO remarks. I have a few suggested edits – see below. I have also been asked by the organizers again if I have a ppt, so can you develop a few ppt slides incorporating these remarks.

Jane, attached are your draft final remarks for the panel discussion in the high level session. I am happy to make any changes you may have prior to your departure. We have shared a copy with OAR as well.
